New Product Showcase

Charlotte Pipe And Foundry

Charlotte Pipe and Foundry's new AutoCAD 2.0 CD is now available. The 2.0 version features updated two- and three-dimensional drawings for all Charlotte Pipe and Foundry products, including our new PVC large-diameter fittings. The CD also includes all the product specifications and technical data mechanical contractors and engineers need to design their systems.

Charlotte Pipe is the only manufacturer that offers a *system* of cast iron, PVC, CPVC, ABS, and FlowGuard GoldÆ pipe and fittings for residential and commercial plumbing systems and industrial applications. The nation's leading maker of cast iron and plastic pipe and fittings, Charlotte Pipe offers the industry's broadest product offering of DWV and pressure products.

Contact Bradford Muller, 704/348-6582, bmuller@charlottepipe.com.

Symmons Industries

Symmons Industries, a premier manufacturer of commercial and residential plumbing products and pioneer of the pressure-balancing, anti-scald valve, has given its proven Temptrol® valve a new all-metal trim option, including a 7-3/8" tiered escutcheon and corresponding new all-metal showerhead. The Temptrol C-96 series complies with all known standards and codes and is

ADA-compliant. Models are available in a variety of shower-only, tub/shower and tub/shower/handspray configurations and are backed by an industry-leading 5-year commercial warranty.

For more information, please visit www.symmons.com or call 800/SYMMONS (796-6667).
